Fellowship 2008-2010	The Warren Alpert Medical School of Brown University Department of Psychiatry and Human Behavior (T32 Treatment Development Research Grant)

<p><u>PROFESSIONAL LICENSES</u></p>	<p>Licensed Psychologist in Rhode Island Issued 02/2010 License # PS01170 Licensed Psychologist in MA Issued 12/2021 License #11680</p>
<p><u>POSITIONS HELD</u></p>	
<p><i>Chief of Psychology, South County Psychiatry Spring 2023-present</i></p> <p><i>Psychologist, Lifespan Physician Group, Providence, RI 2010-2023</i></p> <p><i>Visiting Assistant Professor, Clark University, 2007-2008.</i></p>	<p>Support and oversee psychotherapy programming across outpatient specialties, develop programs in specialty areas including but not limited to general adult psychology, young adult psychology, geriatric psychology, couple and family therapy, and medical psychology. Provide outpatient couple and family therapy, train providers in systems and problem centered approaches to working with couples, families and individuals.</p> <p>Provided individual, couple and family therapy to patients in Lifespan’s outpatient psychiatry program and Family Therapy Program, and for the Men’s Health Program at Miriam Hospital. Oversaw research projects for the Family Therapy Program, including development of a brief, reliable and valid measure of family functioning and conducted ongoing treatment effectiveness research on family therapy. Provided treatment for difficulties with sexual functioning to men at the Men’s Health Program, including coordination of care with the physicians, urologists, physician assistants and nurses.</p> <p>Taught two survey courses and an undergraduate seminar while developing my own research plans. During this appointment, I prepared several manuscripts for publication</p>
<p><i>Research coordinator and therapist, Joslin Diabetes Center, Boston, MA 1998-200</i></p>	<p>Coordinated all aspects of an NIH funded grant exploring the impact of brief psycho-educational interventions aimed at improving teamwork between children with diabetes and their families. Provided individual therapy for young adults and couples with type 1 diabetes. Also coordinated and ran the support group program for the clinic. This involved recruiting for groups, screening participants, and co-leading support groups for adults with type 1 or type 2 diabetes.</p>

<p><i>Substance Abuse Counselor, New Day of CASPAR, Somerville, MA, Fall 1995-Spring 1997.</i></p>	<p>As a residential counselor in this program for pregnant women in early recovery from substance abuse, I coordinated all intakes and maintained the wait-list for the program, carried a caseload of three to four individual clients, ran group therapy sessions related to drug and alcohol abuse, family issues, body-image, and general mental health. 40 hours weekly.</p>
